

Sports Premium Funding

Through the Sport Premium funding the government is providing additional money to support the delivery of PE and sport in primary schools.

The funding will be ring fenced and will be allocated directly to primary schools across England, providing them with a dedicated resource to buy in invaluable expertise and support. Primary schools can determine what they believe to be the most appropriate use of the funding.

The funding formula for schools is based on the number of primary aged children on roll. The sport premium should be used to increase the quality and breadth of PE and Sport provision and increase participation in PE and Sport.

At Cockfield Primary school we strive to raise whole school achievement and standards in PE, promote healthy and active lifestyles and aim to provide new sporting opportunities for all our pupils.

A wide range of PE is delivered which aims to inspire and engage all children. We have worked hard to develop our Physical Education through curriculum time and extra-curricular activities. Children participate in festivals, competitions, are part of the local school's football league and in a whole school sports day during the summer term. The head teacher, PE co-ordinator and all staff are committed to ensure all pupils receive at least two hours of high quality well-planned PE per week delivered by confident and well trained teachers. We encourage all children to participate in after-school sports and healthy eating clubs – a healthy breakfast club is offered daily. Children who have movement difficulties follow programmes in school.

A range of after school clubs are on offer, they are changed regularly to meet the interests and needs of the children

Available clubs:

- Sports clubs
- Football
- Dance

Children have access to swimming in KS2 until they can swim 25 metres. Reception children are offered a swimming programme in the Summer Term.

PE and sport are also delivered across the curriculum e.g. Olympics, World Cup Football – topics, tennis themed sports days, these are used as a stimulus for the children because the school believes real life experiences make the curriculum relevant and accessible.

Primary school experiences are pivotal to the children’s future perception of physical activity and the enthusiasm and enjoyment of the pupils is a testament to the passion and dedication of all staff. Pupils leave the school equipped to enjoy sport for all its health and social benefits. For those who relish the competitive element, they gain the skills, confidence and relevant experience to succeed at their chosen level and discipline.

Sport Premium Funding

2013-2014	£5,083
2014-2015	£8,345
2015-2106	£7,156
2016-2017	£8,411
2017-2018	£13,380
2018-2019	£13,515

The money is being used for:

Professional development opportunities – teachers and teaching assistants working with sports coaches/teachers to enhance their knowledge and develop their ability to deliver high quality PE.

Subsidising the cost of after school clubs to encourage more participation

Providing cover for teachers who are participating in professional development

Providing transport to enable pupils to attend competitions

Buying quality equipment/materials to support teaching of high quality PE and support children with movement difficulties

Working in partnership with other schools

Paying for coaches e.g. football

Provide cover for PE co-ordinator to be released to work on school development and monitor PE lessons

The impact of the funding will be measured throughout the year
