

## Summer 2015

*Thank you again for some of the lovely comments and cards – they are all really appreciated*

### *Some comments made by parents*

My child has come on so much since starting in reception. She loves school and is always chattering about the things she has learned. Very pleased with all of her hard work and progress.

We are extremely pleased with our son's progress in Reception this year. He has thoroughly enjoyed his first year at Cockfield School and his report reflects this!

A very pleasing report. He has worked so hard and really enjoys school, it's great to see that his efforts are really paying off.

My son has worked so hard to receive his good SATS results.

We are delighted with his report and feel that his teacher knows him well as an individual. He enjoys all aspects of school. He and we are pleased that Miss Hutchinson will be teaching him in year 5.

We are thrilled with our daughter's report and her SATS results! She genuinely loves school and she is proud of her achievements. Thank you Mr. Petty for the last few years.

Really proud of our daughter's report. We know she works hard but it is lovely to read about all her achievements. She has read her report with me and wants to push herself further. We know she is also very happy at the school.

Cockfield Primary School provides everything my child needs to maintain and improve their learning. The staff are fantastic in all they do to help all the children in school. Thank you for all you do, to help further progress my child's learning Mr Petty and all other staff too.

It is great to see her confidence in maths grow! She has really enjoyed being in Mr Petty's class these last 2 years, thanks.

Brilliant report!

Extremely pleased with our son's report and the standard of education he has received.

I would not hesitate to recommend Cockfield Primary to any of my friends for their child. My son has enjoyed his time at the school and the events they hold throughout the year are well organised. The Harvest Festival and Christmas Play will be sorely missed. Also good to have mother's and father's day events.

Thank you to all the staff.
