

Summer 2014

Thank you for some of the lovely comments and cards – they are all really appreciated

Comments made by parents

Excellent report, well done staff and Head teacher – one proud Mam

An excellent report thank you very much for helping him attain this level

Really great report. We are very happy and proud. We will continue to encourage and support her development

Extremely happy with this report. Extremely happy we chose Cockfield Primary

Thank you all so much. We would not have got through all these years without all the support and help you have given us. Thank you so much

We are very proud of our child, he really enjoys school

During his last year my son has received a lot of support for his Sats and the after school Sats club was really helpful. This gave him the extra motivation he needed to succeed.
