Parent's Consent

I have read and understood the online safety agreement and give permission for my son/daughter to access the Internet at school, and will encourage them to abide by these rules. Children will receive advice on e-safety at school, advice for parents is available at www.thinkuknow.org.uk/parents or by contacting the school. I understand that the school will take reasonable precautions to ensure pupils cannot access inappropriate materials.

The school will help children to learn about staying safe online, but recognises that the primary responsibility for online safety at home lies with parents / carers. The school will seek to work with families to help them to encourage children to adopt safe use of the digital technologies at home.

I will follow the school's guidance on taking and sharing images and video at school events and will ensure that any pictures taken during school events that include other children will not be shared using social media.
