

# Planet Leisure

On the 30<sup>th</sup> of June 2021 the Year 6 leavers were privileged to have the fantastic experience of a day at Planet Leisure. The activities we took part in included Bowling and Laser Quest. This treat was to celebrate Year 6's time in Cockfield Primary school.

Year 6 enjoyed a meal at dinner time and we all really enjoyed not just the activities but also the food! We all had an excellent time and had a great laugh.

During Laser Quest we all enjoyed the activity and the teachers joined in too! It was our chance to target our teachers with our laser guns (only a couple of hundred times).

Thankyou Cockfield Primary School for all the amazing memories and opportunities!
