# Cockfield Primary School

## Covid Outbreak Management Plan – September 2021

Cockfield Primary School

*Care, believe, achieve together!*

Safeguarding		<p>Our Designated Safeguarding Lead is Mrs Costello, our Deputy Designated Safeguarding Lead is Mrs Woods. They can be contacted via the school office 01388718263 or <a href="mailto:cockfield@durhamlearning.net">cockfield@durhamlearning.net</a></p>
Shielding		<p>Should shielding be reintroduced by national government then those on the shielded patient list should follow national guidance. Shielded pupils will be required to learn remotely from home. Shielded staff will be required to work from home.</p>
Contact tracing		<p>Contact tracing may be reinstated and in this situation DCC will work with schools to ascertain the contacts of cases during their infectious period and will provide a letter for schools to share with identified contacts advising the contact to seek a PCR test and where not exempt, to self-isolate. For primary school age pupils the whole class would usually be considered contacts of a case.</p>
Attendance Restrictions		<p>If some attendance restrictions are needed, all vulnerable children, children of critical workers, children in reception, year 1 and year 2 will still be allowed to attend. If, by exception, attendance is restricted further, vulnerable children and children of critical workers should still be allowed to attend.</p>
Free School Meals		<p>If a class or large group closes due to COVID restrictions, families who are entitled to free school meals will be provided with a food hamper. Individuals who are entitled can order a packed lunch to be collected from school each day.</p>
IT Access		<p>The school has a limited number of laptops and IPADS for home loan. These will be allocated according to need with disadvantaged children taking priority.</p>

*The school will inform parents of any changes to Covid measures should these be needed.*
